ROOSEVELT ARCHAEOLOGICAL PROJECT
AXES AND MAULS**

Project Year _____

Specimen No. _____

Site No. _____:_____:(ASM)

Complex _____

Analyst _____

Level No. _____

Feature No. _____

Date ____/____/____

North _____ East _____

Total Object Description:

Description of Blade End:

Wear Patterns on Blade End:

Artifact No. _____

End Type _____

Hafting Groove Characteristics _____

Polish Wear _____

Over All Functions _____

Striations _____

Weight of Object _____

Chipped _____

Length of Blade _____

Impact Spalls _____

Length of Object _____

Pecking Wear _____

Width of Blade _____

Shape of Blade End _____

Thickness of Blade _____

Surface Finish _____

Completeness _____

Worked Condition _____
